

User Stories in project planning

Main Story

“As a [FMA enthusiast and practitioner], I [want to be able to find other FMA practitioners where they are], [so that we can connect socially and practice our sport together].”

Acceptance Criteria

“As a [FMA enthusiast and practitioner],

- I [want to be able to search with a **zip code**], [so that I can find results **in a certain radius**].”

“As a [FMA enthusiast and practitioner],

- I [want to be able to search specifically], [so that I can find **clubs, schools or events** in certain radius].”

“As a [FMA enthusiast and practitioner],

- I [want to be able to **refine search results**], [so that I can find exactly what I want].”

Tasks for Stories

Research and Learning

- Find data for the application
- Learn new technologies to be able to build the application

Front-end Design and Build

- Design the front-end look and feel
- Build the front-end components

Data and Database

- Build database
- Import data into Database
- Test DB and dataset
- Create database scripts to manipulate data

Back-end development

- Find zip code API
- Add longitude and latitude to the database locations
- Compare data base zip codes to zip code search
- Output results

- Refine search results
- Build email responder for forms
- Create contact form response
- Create “Add Content” for response

Future Development options

- Add a logo or image for each club / event
- Add news items
- Current news section
- Sponsor advertisements
- Registered Users Only Section
- User Login
- Online Database interface for CRUD
- Paid / Subscription section
- Store section for vendors

Database Information

List of venues

What style

Venue Address -- Street, state, zip

contact information – Phone, email, website url

List of events

what style

Venue Address -- Street, state, zip

contact information – Phone, email, website url

Search

search by type of fighting style

Arnis, Eskrima, Kali

search by state

search within a certain zip code radius?

Sign-up your club / event

Name of club / school / event

fighting style

club / school / event details

Address -- Street, state, zip

Contact person – Phone, email, website url
